---

---

Maths  
Section!

# Fractions

Look at the picture below. Write the amount of animals in fractions.

E.g.

$$\frac{\text{Amount of worms}}{\text{Total amount of animals}} = \frac{5}{10}$$

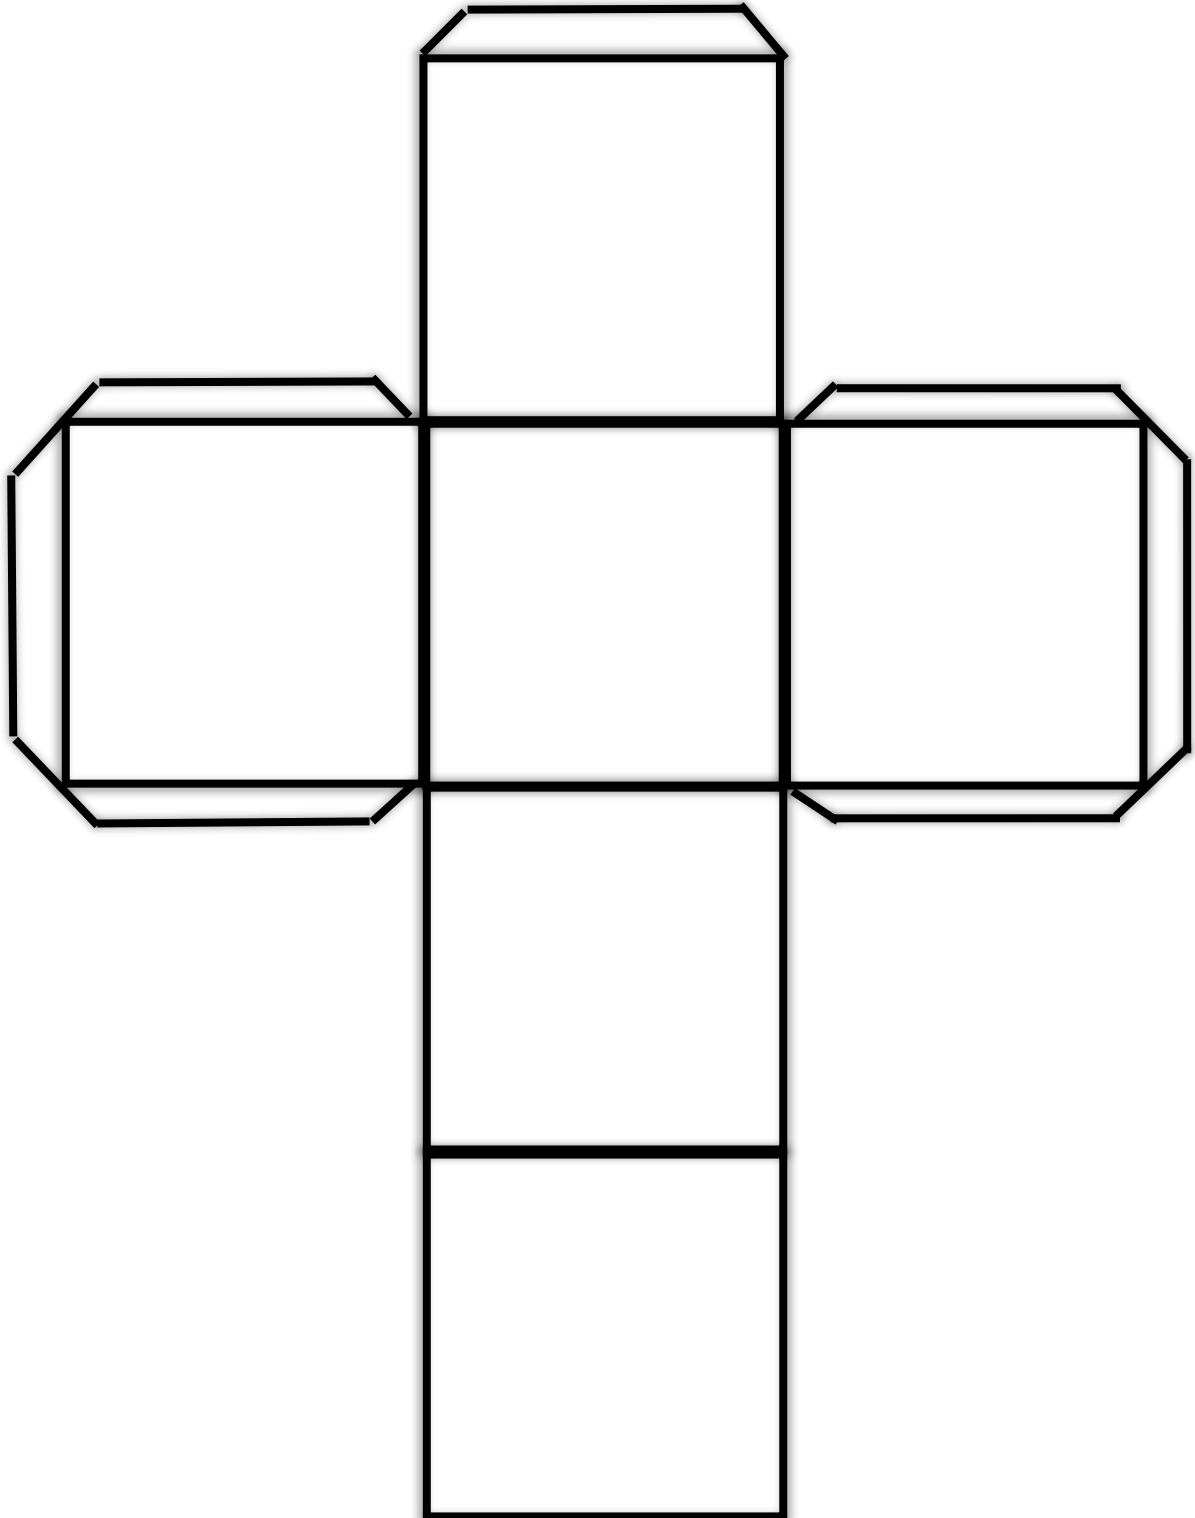

# Do your own!

Write your own challenges or draw your own pictures.

# Outdoor activity

Have a look in your garden or when out on your walk for different objects (bird feathers are a great one to look for or different leaves).

All you need is a :

- Clipboard (or something to lean on)
- Ruler
- Pencil

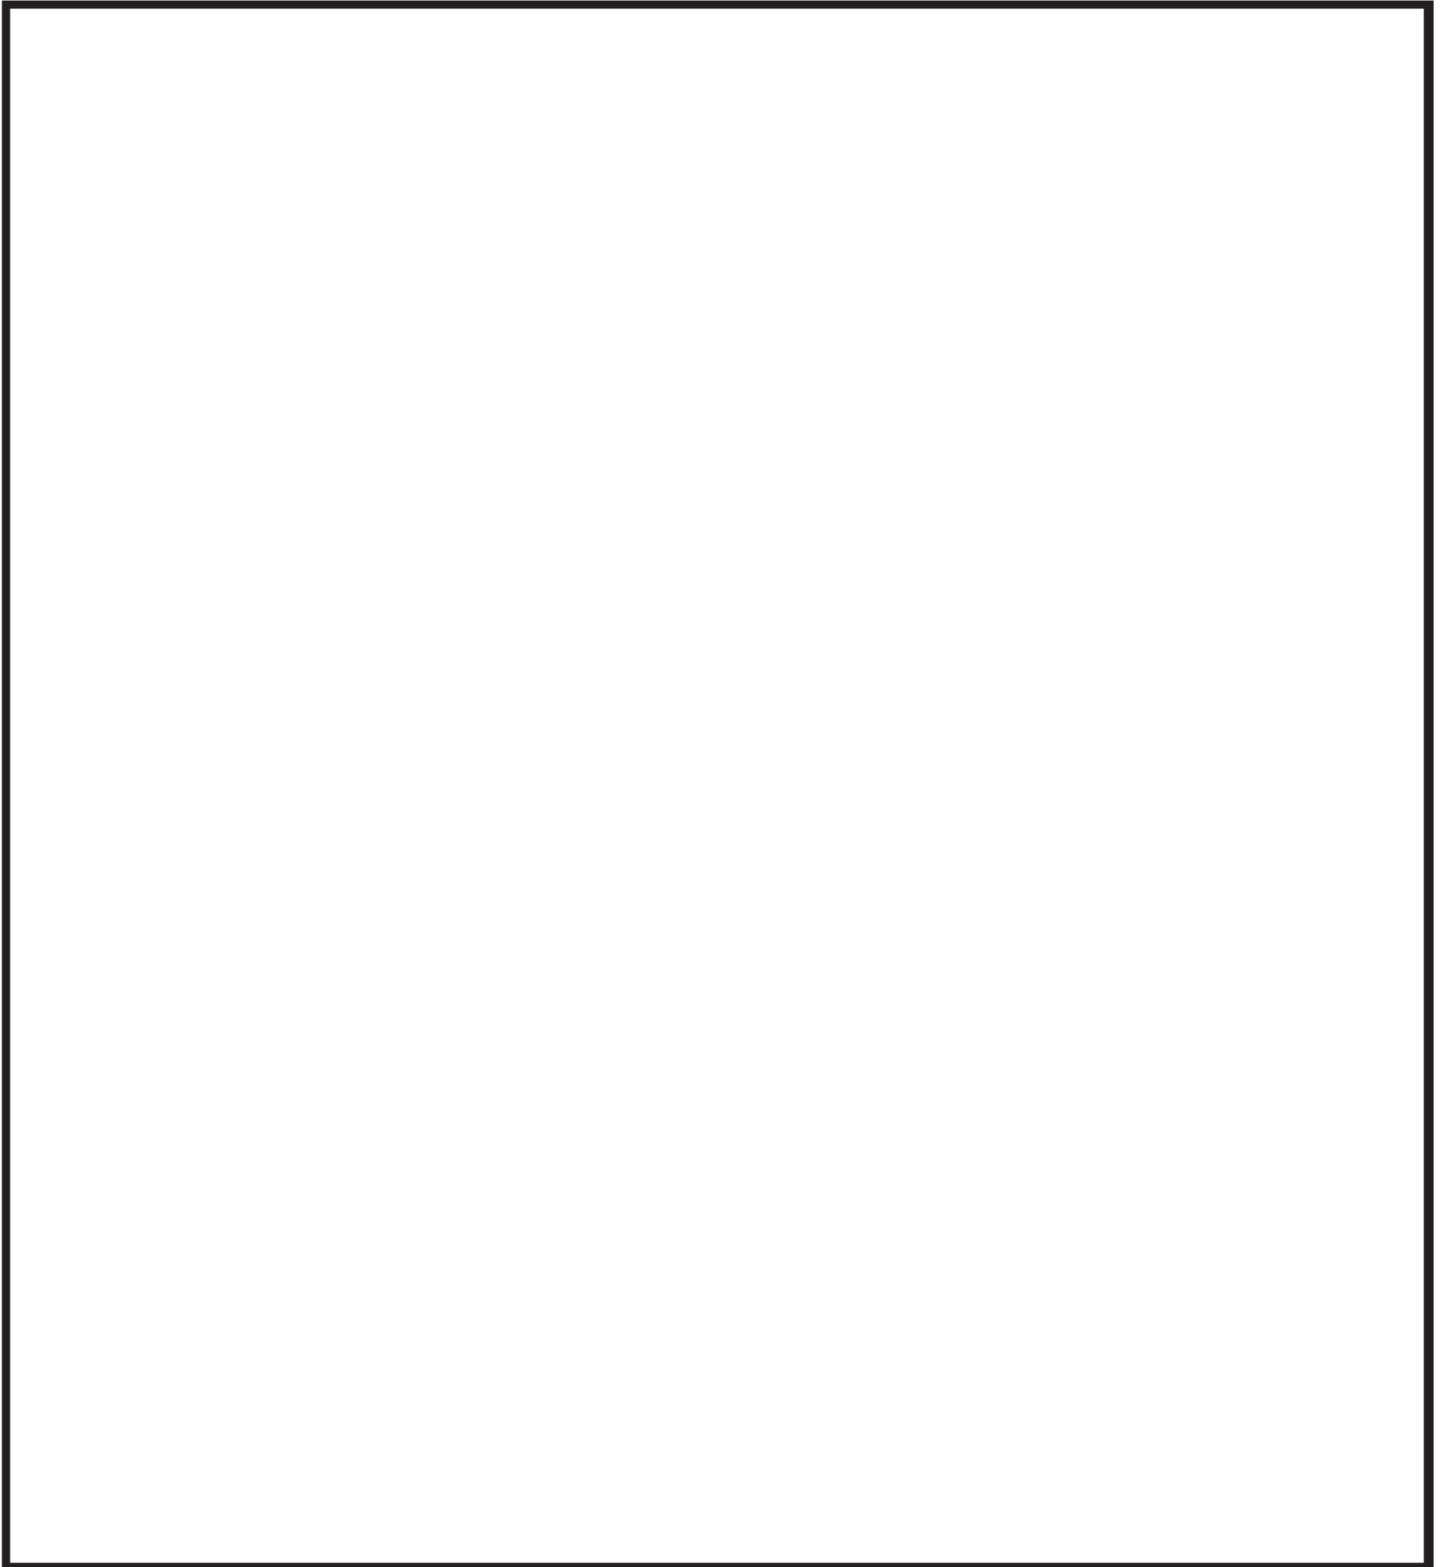

Object number	Type of object	Length (cm)	Width (cm)
1			
2			
3			
4			
5			
6			
7			

Science  
Section!

Draw a home for Vern.

Think about what he needs in his home:

- Shelter
- Food
- Water

Answer the following questions based upon the book
